

Notification of Intent to Initiate Closure

Big Stone Plant – Slag Pond CCR Unit

September 4, 2018

Otter Tail Power Company intends to close the CCR impoundment known as the Slag Pond at the Big Stone Plant near Big Stone City, SD. This notification satisfies the requirement of the Coal Combustion Residual Rule (CCR) §257.107(i)(7). An amended closure plan for the Slag Pond was completed in July of 2018 detailing closure procedures. This plan can be viewed on the Big Stone Plant CCR website. Closure was initiated on September 4, 2018.
