

## Notification of Intent to Initiate Closure

### Big Stone Plant – Temporary Storage Area

September 4, 2018

Otter Tail Power Company intends to close the CCR landfill known as the Temporary Storage Area (TSA) at the Big Stone Plant near Big Stone City, SD. This notification satisfies the requirement of the Coal Combustion Residual Rule (CCR) §257.107(i)(7). An amended closure plan for the TSA was completed in July of 2018 detailing closure procedures. This plan can be viewed on the Big Stone Plant CCR website. Closure was initiated on September 4, 2018.
